VFW Chaplain

**Sherri Mitchell**   
District 1  
Auxiliary Chaplain &  
Buddy Poppy Chairman

Greetings Everyone,

I hope everyone had a wonderful Thanksgiving Holiday. For those who travelled out of town, I hope that you made it back safely. Now that the holiday season is in full swing, please try to remember that this is supposed to be a festive time, but sometimes the stress of the season gets to us.

This holiday season, it is good to remember the importance of family. When I mention family I mean not just in the strictest sense of the word, but I also mean family in the spirit or intent that we should remember it during the Christmas Season. Take a look at the example of family that is below.

We are all veterans. We all have a love for God and country too. Plus we each love helping our fellow veterans as VFW members. So this holiday season let's remember that we are one VFW Family.

Let us focus on the things that we have in common with one another instead of focusing on our differences. That sounds simple enough, doesn't it?

I know that is not always easy to do. Often when it comes to establishing common ground it is a two-way street, so both parties have to be willing to meet each other half way. I always try to remember what the Bible records regarding such matters. In Matthew 22:39, Jesus instructs us to, "Love thy neighbor as thy self." Try to show some love to those who you might have a difference of opinion with this Holiday Season. Give that member a gift that will last a lifetime. If you do this you might find out that this love returns to you threefold.

Merry Christmas  
Everybody and  
God Bless,  
Chaplain James

Comrades Brothers & Sisters

I hope everyone had a great Thanksgiving and plan to have a great Christmas.

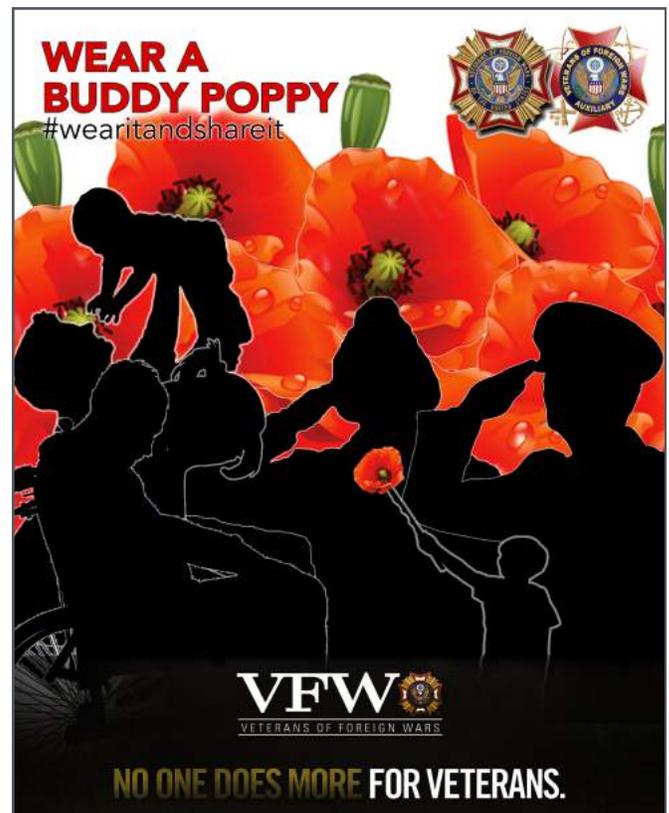

This is the perfect time to reach out to members who may not have family around. Sometimes the smallest gesture can make all the difference.

Just a reminder we will have the Buddy Poppy Tabletop judging Dec. 18 at the membership meeting at Don Diego. I look forward to seeing the creations.

Prayers for everyone.

**FROM THE DESK OF  
ADJUTANT/QUARTERMASTER**

Commanders, Captain,  
Quartermasters & Paymaster,  
Comrades, and Sisters:  
Hope that all enjoyed their  
Thanksgiving. Did everyone get their  
fill of Turkey and Pumpkin Pie. Here  
it is December with Christmas coming  
and a New Year waiting in the wings.  
Please all be safe and enjoy your  
family and friends over the Holidays  
at theseses dhis se Does it not seem  
like when you get older time moves  
much faster. December looks to be a  
busy month starting with the Care  
and Share at VAMC La Jolla on 12/6  
at 9:00 AM, VOD/PP/Teacher Awards  
Luncheon on 12/8 at Carter-Smith  
Post 5867 starting at 11 AM. Moving  
right along on 12/15 its Wreaths  
Across America, Ft Rosecrans at 8:00  
AM, Greenwood at 10:00 AM. The 4<sup>th</sup>  
Annual Backpack Stuffing at VAMC La  
Jolla at 10:00 AM in the Multi-Purpose  
Room.

This year the VFW made the  
donations necessary to purchase the  
Backpacks. Hope to see you there  
stuffing. On 12/18, with six  
shopping days left until Christmas, a  
joint membership meeting will be  
held at Don Diego Post 7420 starting  
around 5:30 or 6:00 PM.

This Holiday Season remember to give  
thanks to our veterans still in harm's  
way and to those who are not able to  
be home because of being  
hospitalized, and our many homeless  
veterans. We all need to make it a  
better year in 2019 for all.

Quartermasters please remember the  
3<sup>rd</sup> Quarter starts on 1 January 2019  
and your Posts 2<sup>nd</sup> Quarterly Audit is  
due at Department by January 30<sup>th</sup>,  
2019 or before. Finally, we all need  
to remember, the National Home for  
Children. The Home assists hundreds  
of military and veteran families in  
crisis who are confronting the

lingering impacts of war. These  
include problems such as  
unemployment, PTSD, physical  
disabilities, homelessness, financial  
difficulties, divorce, and more. **It is**  
**for** all military families free-of-  
charge, yet it takes a lot of resources  
to keep it operating at the National  
Home. Please, answer the call for  
military and veteran families in need  
of this service by making a special  
Christmas gift to the National Home  
Helpline Fund.

Please remember that call to the  
National Home Helpline is often the  
last hope for many struggling families  
of deployed, active duty and veteran  
soldiers.

Please show yours, and your Posts  
support for the Home. Again, thanks  
for all you do and let's keep the  
"Mighty First" first. Any Post or any  
Comrade needs help with audits,  
programs or just a question; the  
District Officers are here to help. Just  
give a yell!

May each and everyone in the Mighty  
first has a very Merry Christmas and a  
safe and Happy New Year.

## VAVS/Hospital

Happy Holidays, Comrades, & Auxiliary Members,

The Holidays are upon us. Our VA Hospital patients are safe and well. The VFW sponsored a Thanksgiving activity at the VA Aspire Center. The VFW also donated 100 bus passes. The VFW First District is collecting donations for more bus passes for the VA Aspire Center. There is an ongoing and year-round need for these bus passes. VFW Post 3783 Ramona has been donating \$100 per month year-round for these bus passes. Please donate to the VFW First District for the Bus Pass Program.

The VA Hospital VAVS Holiday Backpack Program will be Saturday, Dec. 15 at 10 a.m., in the Multi-Purpose Room. Groups bringing gifts should be there at 9 a.m. to deliver. Thank you to the VFW and VFW Auxiliary First District for supplying the backpacks. The VAVS Committee also raised \$1,250 once more so we can put \$5 in each backpack. We will distribute 200 backpacks at the VA Hospital, and 50 at the VA Aspire Center.

There is a VFW and VFW Auxiliary State Officers Official Visit scheduled for Friday, Jan. 25, at the VA Hospital.

The VA Hospital VAVS Committee wishes all of you a safe and happy holiday season.

Thank you for your ongoing year-round support for the VFW VAVS Program.

Yours in Comradeship,

# TRICARE Open Season is underway

If you want to enroll in or change between TRICARE Prime and TRICARE Select health plans, you have until Dec. 10.

Active duty service members are required to have TRICARE Prime health coverage. Active duty family members, retirees, and eligible retiree family members can choose to have either TRICARE Prime or TRICARE Select coverage.

For many people, the cost is a major factor in picking a health care plan. Before you choose a plan, make sure you know what's covered and what it costs. To help you understand your potential health care costs, here are a few key TRICARE terms you should know. TRICARE beneficiaries fall into one of two groups: Group A If you or your sponsor's initial enlistment or appointment occurred before January 1, 2018, you are in Group A. or Group B If you or your sponsor's initial enlistment or appointment occurs on or after January 1, 2018, are in Group B.. Each group has different enrollment fees, deductibles, and out-of-pocket costs. You're in Group A if your initial enlistment or appointment or that of your uniformed services sponsor began before Jan. 1, 2018. You're in Group B if your initial enlistment or appointment or that of your uniformed services sponsor began on or after Jan. 1, 2018. When enrolled in TRICARE Reserve Select, TRICARE Retired Reserve, TRICARE Young Adult, or Continued Health Care Benefit Program follow Group B deductibles, copayments, cost-shares, and catastrophic caps regardless of when the uniformed services sponsor enlisted or were appointed.

An enrollment fee is a yearly amount you pay to enroll in TRICARE Prime or TRICARE Select. ADSMs and ADFMs don't have an enrollment fee with TRICARE Prime. However, TRICARE Prime retirees, their families, and some others pay yearly enrollment fees. With TRICARE Select, ADFMs don't pay enrollment fees, and neither do Group A retirees, their families, and others with TRICARE Select. However, Group B retirees, their families, and others pay yearly enrollment fees. Visit Health Plan Costs for more information.

A deductible is a fixed amount you pay for covered

services each calendar year before TRICARE pays anything. You may have a deductible if you have TRICARE Select or if you have TRICARE Prime but see a provider without a referral.

A cost-share is a percentage of the total cost of a covered health care service that you pay after you pay your deductible.

A copayment fixed dollar amount you may pay for a covered health care service or drug. is the fixed amount those with TRICARE Prime (who aren't active duty) and TRICARE Select (for certain services) pay for a covered health care service or drug.

The catastrophic cap is the most you or your family will pay out of pocket for covered health care services each calendar year. When met, TRICARE pays your copayment or cost-share for covered health care services for the rest of the calendar year.

Point-of-service is an option under TRICARE Prime where you pay extra when getting nonemergency care from any TRICARE-authorized provider. An authorized provider is any individual, institution/organization, or supplier that is licensed by a state, accredited by national organization, or meets other standards of the medical community and is certified to provide benefits under TRICARE. There are two types of TRICARE-authorized providers: Network and Non-Network. without a referral. The point-of-service option isn't available to ADSMs.

The TRICARE-allowable charge the max amount TRICARE pays for each procedure or service. This is tied by law to Medicare's allowable charges. is the maximum amount a participating TRICARE provider can be paid for a covered service. Learn more about TRICARE provider types.

Health care costs can differ based on who you are and your health plan option. For specific plan costs and dollar amounts, use the TRICARE Compare Cost Tool. Also, download the 2019 TRICARE Costs and Fees Sheet. If you want to enroll in or change your TRICARE health plan during TRICARE Open Season, take charge of your health benefit by understanding your health care costs.
