## Update Contact info at National

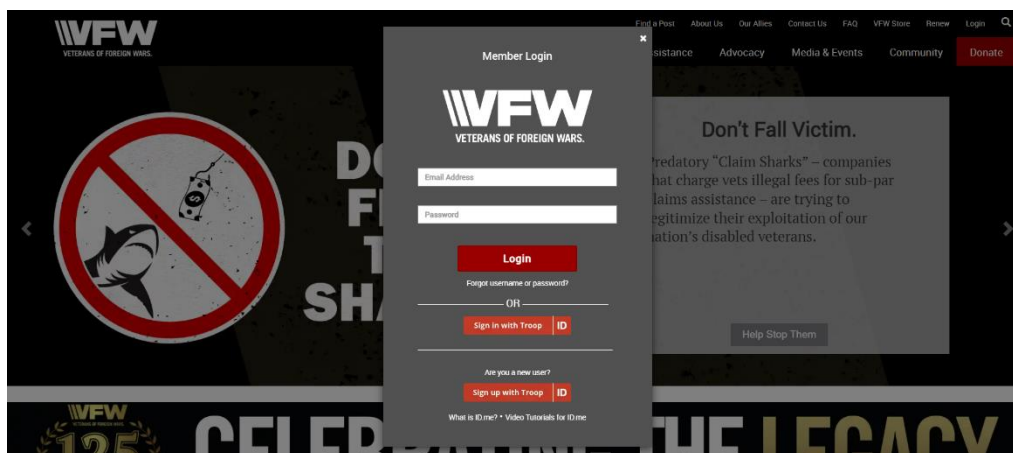

It is important for many reasons for members to maintain their updated contact info at the VFW National Headquarters, it helps with your Post/District/State to have your current mailing address, email & phone number. This is important for Election reports and Membership rosters at all levels of the VFW, ability to send official correspondence through the mail like awards, VFW magazine, official letters from all levels of the organization. Email address to send emails to notify members on important info and dates, and phone numbers to call members that may need assistance or perform buddy checks. Failure to maintain accurate contact info can cause the organization to waste money, time, and resources by sending the member things they do not get. Not to mention the Member not getting the info he/she may need.
